360°
Venting Clearance Requirements

⚠️ CAUTION: Do not stack the equipment, place it in an enclosed space, or otherwise install it where it is subject to heated air. The equipment should have at least 10.2 cm (4 inches) of clearance on all vented sides to permit the airflow required for proper ventilation. Restricting airflow can damage the equipment or cause overheating.

≥ 4” (102 mm)

 ≥ 4” (102 mm)

⚠️ WARNING: To reduce risk of injury and/or equipment damage, the AIO Stand must be placed on a level, stable surface.

⚠️ WARNING: Risk of electric shock. Do not expose electric parts to liquids.
Setting up the Dell OptiPlex SFF AIO Stand

Box Contents
AIO Stand, Cable Cover, VGA Cable, USB Cable

NOTE: Refer to the Monitor and Computer Instruction Guides, packaged separately.

WARNING: To reduce risk of injury and/or equipment damage, the AIO Stand must be placed on a level, stable surface.

1. Place the AIO Stand on a level, stable surface.

WARNING: To reduce risk of injury and/or equipment damage, the AIO Stand must be placed on a level, stable surface.
2 Turn the dial to set the AIO stand weight capacity to match your monitor weight.

3 Attach the monitor to the AIO stand.
4  a  Connect the power cable, the monitor cable, and the USB cable to the monitor.

b  Route the monitor and USB cables through the front cable management slot.

5  Leaving sufficient slack, tuck the monitor cable into the cable channel.

NOTE: Store any excess cable in the cable tray.
6 Route the accessory cables (keyboard, mouse, speakers, etc.) through the front cable management slot.

7 Slide the computer down and forward onto the AIO stand.
8 Connect the monitor cable, power cable, network cable and any accessory cables, (keyboard, mouse, speaker, etc.) to the rear of the computer.

9 Attach the cable cover to the computer.

NOTE: The hooks on the cover slide into the slots on the chassis.
10 Slide the switch to lock the computer to the AIO stand.

11 a Connect the network cable to the rear of the AIO stand and facility network.

b Connect the power cable supplied with the computer to the rear of the AIO Stand and to facility wall socket.
12 Attach security accessories.

NOTE: Security accessories are not shipped with the AIO stand
Specifications

Physical Dimensions*
Height 15.4” (390 mm)
