Setting Up Your Monitor

Attach the monitor to the stand until it is locked.

1. Connect the USB cable to the computer.
2. Connect the power cord firmly to the monitor and the electrical outlet.
3. Rotate the monitor back and turn on the monitor.
4. If nothing appears on the screen, press the Input Source Select button.

Dell™ 2408WFP Color Monitor

www.dell.com | support.dell.com

CAUTION:

1. Before setting up your Dell monitor, please read the safety instructions in the Product Information Guide.

Note: If the monitor gets locked down at the keystone position, push the monitor straight down with one hand until it goes no further to adjust the right height. Press the stand lock/release lock button.

2. Vertically extend and lift the monitor completely to rotate it for cable connection.

3. Connect the blue VGA cable or the optional white DVI cable to the computer.

4. Connect the USB cable to the computer.

5. Connect the power cord firmly to the monitor and the electrical outlet.

6. Rotate the monitor back and turn on the monitor.

7. If nothing appears on the screen, press the Input Source Select button.
