Setting Up Your Monitor

Dell™ U2410 Flat Panel Monitor

1. Verify the contents of the box

2. Remove the cover and place the monitor on it

3. Attach the stand to the monitor

4. Connect using ONLY ONE of these cables: VGA (Blue) or DVI (White)

5. Connect the USB cable to the computer

6. Connect the power cable and press the power button

NOTE: For better performance, use the white DVI cable.

CAUTION: Before setting up your Dell monitor, see the safety instructions that shipped with your monitor.

WARNING: To reduce the risk of electric shock, do not remove the cover. There are no user-serviceable parts inside. Refer servicing to qualified service personnel.
