Warranty: Dell™ KM632 Desktop Wireless Keyboard and Mouse

**Limited Warranties and Return policies**

Dell-branded products carry a 1-year limited hardware warranty. If purchased together with Dell system, it will follow the system warranty.

For U.S. customers: This purchase and your use of this product are subject to Dell's end user agreement, which you can find at www.dell.com/terms. This document contains a binding arbitration clause.

For European, Middle Eastern and African customers: Dell-branded products that are sold and used are subject to applicable national consumer legal rights, the terms of any retailer sale agreement that you have entered into (which will apply between you and the retailer) and Dell's end user contract terms. Dell may also provide an additional hardware warranty – full details of the Dell end user contract and warranty terms can be found by going to www.Dell.com, selecting your country from the list at the bottom of the "home" page and then clicking the "terms and conditions" link for the end user terms or the "support" link for the warranty terms.

FOR NON-U.S. CUSTOMERS: Dell-branded products that are sold and used are subject to applicable national consumer legal rights, the terms of any retailer sale agreement that you have entered into (which will apply between you and the retailer) and Dell’s warranty terms. Dell may also provide an additional hardware warranty – full details of Dell’s warranty terms can be found by going to www.Dell.com, selecting your country from the list at the bottom of the "home" page and then clicking the “terms and conditions” link or the “support” link for the warranty terms.

Please read all restrictions and disclaimers.
**Regulatory Information**

These devices comply with Part 15 of the FCC Rules. Operation of the devices is subject to the following two conditions: (1) The devices may not cause harmful interference, and (2) The devices must accept any interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy. If the equipment is not installed and used in accordance with the instructions, the equipment may cause harmful interference to radio communications. There is no guarantee, however, that such interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception (which can be determined by turning the equipment off and on), the user is encouraged to try to correct the interference by taking one or more of the following measures:

- Relocate this device.
- Increase the separation between the device and the receiver.
- Connect the device into an outlet on a circuit different from that of other electronics.
- Consult the dealer or an experienced radio technician for help.

**Agency Approval:** FCC, CE, cULus, ICES, VCCI, NOM, BSMI, NCC, C-Tick, SRRC, TELEC, IDA, KCC.

Please read all restrictions and disclaimers.
Certifications: Dell™ KM632 Desktop Wireless Keyboard and Mouse
