Installing Your Dell™ Latitude ON™ Flash Card

1. Disconnect the AC adapter and remove the battery.
2. Remove the back cover to access the FCM or WWAN Mini Card slot to install the Latitude ON Flash card.

NOTE: Power connector and battery location varies by computer model. For more information, see the documentation that shipped with your computer.

NOTE: The FCM and WWAN Mini Card slot location varies by computer model. For more information, see the documentation on the Dell Support website at support.dell.com manuals.

WARNING: Before performing any of the steps listed below, read and follow the safety information that shipped with your computer.

CAUTION: Do not install or remove the Dell Latitude ON Flash card when your computer is turned on.

CAUTION: Electrical and electronic devices are sensitive to electrostatic discharge (ESD). Exposure can harm your device and potentially cause it not to function properly. Ensure that you are properly grounded before handling your Dell Latitude ON Card.

Latitude ON Flash support is available only if your computer is pre-configured with Latitude ON-Ready.

Latitude ONフラッシュサポートは、お使いのコンピュータがLatitude ONに対応するよう設定されている場合のみご利用いただけます。
NOTE: Remove any existing Latitude ON cards.

NOTE: If you are replacing an existing Latitude ON Flash card, first loosen the screw and then lift the card out of its connector by pulling it away from the computer.

NOTE: For Dell Latitude™ E4200 and E4300 computers, you must insert the Latitude ON Flash card into the WWAN slot.

Install your Latitude ON Flash card into the FCM slot (if present), otherwise install your Latitude ON Flash card into the WWAN Mini Card slot. Insert the tabs on the adapter that shipped with your Latitude ON Flash card into the two holes on the Latitude ON Flash card. Press it down and tighten the screw to secure the card.

CAUTION: Replace the battery and connect the AC adapter to a known good power source.

NOTE: If you are replacing an existing Latitude ON Flash card, first loosen the screw and then lift the card out of its connector by pulling it away from the computer.

NOTE: For Dell Latitude™ E4200 and E4300 computers, you must insert the Latitude ON Flash card into the WWAN slot.
